COMMENTARY ON READINGS

First Reading: We all have ways of life and death placed before us. A person may freely choose good or avoid evil but God gives no one permission to commit sin (Sirach 15:15-20)

RESPONSORIAL PSALM (Ps 119)

“Blessed are they who follow the law of the Lord!”

Blessed are they whose way is blameless, who walk in the law of the LORD. Blessed are they who observe his decrees, who seek him with all their heart. **Res**

You have commanded that your precepts be diligently kept. Oh, that I might be firm in the ways of keeping your statutes! **Res**

Be good to your servant, that I may live and keep your words. Open my eyes, that I may consider the wonders of your law. **Res**

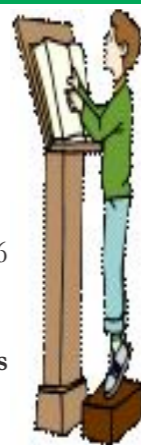

Instruct me, O LORD, in the way of your statutes, that I may exactly observe them. Give me discernment, that I may observe your law and keep it with all my heart.. **Res**

Second Reading: The law of Christ is unlike any man-made law. It contains the hidden wisdom of God; it is a law given by love and can only be fulfilled by genuine love and true concern for others. (1 Corinthians 2:6-10)

Gospel: Jesus did not come to do away with the law of Moses but to re-interpret it and raise it to a different level. (Matthew 5:17-37)

VIRGINITY....BEAUTIFUL AND FREE

Continuing from last week.....
THOUSANDS OF OUR YOUTH CAN AND DO LOSE THEIR VIRGINITY BUT THOUSANDS DO NOT.
Young people enticed into premarital sex trap, are learning the damaging consequences of illicit love; some choose to return to chastity. This choice is called SECONDARY VIRGINITY. At its best, it is a decision to use one's sexual power according to God's plan, reserving all deliberate genital arousal behaviour for the permanent and total commitment of marriage.

FOOLPROOF

There are practical advantages to virginity. It makes economic, social, emotional and physical sense. It works.
to be continued.....
