COMMENTARY ON READINGS

First Reading: We are called upon to avoid enmity, revenge and grudge against our neighbour. As God is holy, so also should we endeavour by his grace to be holy. (Lev 19:1-2, 17-18)

RESPONSORIAL PSALM (Ps 119)

“The Lord is kind and merciful!”

Bless the LORD, O my soul;
and all my being, bless his holy name.
Bless the LORD, O my soul,
and forget not all his benefits. **Res**

He pardons all your iniquities,
heals all your ills.
He redeems your life from destruction,
crowns you with kindness and compassion. **Res**

Merciful and gracious is the LORD,
slow to anger and abounding in kindness.
Not according to our sins does he deal with us,
nor does he requite us according to our crimes. **Res**

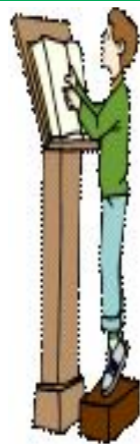

As far as the east is from the west,
so far has he put our transgressions from us.
As a father has compassion on his children,
so the LORD has compassion on those who fear him. **Res**

Second Reading: The community of baptised Christians is built into Christ like stones into a Temple erected to give glory to God. For this reason, the Christian faithful must avoid divisions. (1 Corinthians 3:16-23)

Gospel : Jesus commands us to avoid retaliation against our enemy but love them instead. By loving those who hurt us, we prove ourselves worthy to be called God's Children. (Matthew 5:38-48)

VIRGINITY...BEAUTIFUL AND FREE

Continuing from last week.....

FOOLPROOF

There are practical advantages to virginity. It makes economic, social, emotional and physical sense. It works.

No VD, no pregnancy, no abortion, no AIDS and no being used sexually. When teenagers are questioned about their reasons for remaining chaste, one stated... *"My staying a virgin makes sense. I am free to make choices about my future partner that might not be open if I get into sex too young. After learning that sex is energy, I decided I wanted to use my energy in school and sports. There's plenty of time for sex in marriage later. Besides, I don't want to get tied down to one person yet"*.

POSSIBLE

Abstinence from genital activity is definitely possible. Unlike food or sleep, we don't have to have sex in spite of all assertions to the contrary. As the French writer, Guitton remarks... *"man's sexual need is but slight as compared to his sexual desire"*.

to be continued.....
