11TH WEEK IN ORDINARY, YEAR C

COMMENTARY ON READINGS

First Reading: The day of Pentecost came with the spectacular outpouring of the Holy Spirit on the apostles. They were suddenly empowered to proclaim the Gospel of the risen Christ the Lord to the amazement of the crowds gathered in Jerusalem for the festival. **(Acts 2:1-11)**

RESPONSORIAL PSALM (Ps. 8)

“ O Lord, our God, how wonderful your name in all the earth!.”

When I behold your heavens, the work of your fingers, the moon and the stars which you set in place — What is man that you should be mindful of him, or the son of man that you should care for him? **Res.**

You have made him little less than the angels, and crowned him with glory and honor. You have given him rule over the works of your hands, putting all things under his feet. **Res.**

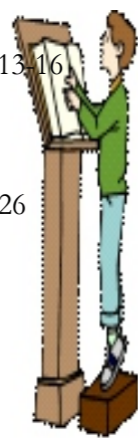

All sheep and oxen, yes, and the beasts of the field, The birds of the air, the fishes of the sea, and whatever swims the paths of the seas. **Res.**

Second Reading: The freedom that we have obtained in Christ places us in a filial relationship with God. It enables us to call God Father (Abba), as Jesus did and makes us joint heirs of eternal life with Christ. **(Romans 8:8-17)**

Gospel: Jesus promises to send the Holy Spirit, the Spirit of Truth, from the Father to teach and remind the Church of everything that He has taught them. Jesus also promises that He himself, with the Father, will come to dwell with those who love Him and keep His commandments. **(John 14:15-16, 23-26, 20:19-23)**

WEEKDAY READINGS & MEMORIALS 11TH WEEK IN ORDINARY TIME, YEAR C

HEALTH CORNER

**(Occupational Health, Safety & Environment)
TECHNOLOGY IN MANUFACTURING AND
WORKPLACE SAFETY CULTURE**

Can technology make the workplace safer? Statistically, the answer is yes. The introduction of technology driven solutions into the manufacturing industry has seen a drop in reported cases of workplace injuries and occupational diseases.

Since 1990, there has been a decrease by over 30% in self-reported musculoskeletal conditions which can be attributed, in part, to developments in technology. So how can the manufacturing industry maintain momentum and continue to innovate whilst keeping workers safe? You must consider some of the possibilities and pitfalls when implementing new technology.

- to be continued
